

Critical Home Repair

Thank you for your interest in Habitat for Humanity North Central Massachusetts's (HFHNCM) Critical Home Repair program. HFHNCM's work through the Critical Home Repair Program will include handicap accessibility modifications (wheelchair ramps, grab bars, and handrails), roof repair, floor repair, and other health and safety home repairs. Critical Home Repair is **NOT** an emergency repair program; there may be a months-long waiting period for repair work to be done.

Eligibility Criteria for the Critical Home Repair program are as follows:

- You must own the home where the repairs are to be made and the home cannot be an income-producing property.
- You must occupy the home as your primary residence.
- You (or a member of your household) must have a need that makes the requested repairs necessary.
- Your household income must fall between 30%-60% of A.M.I. (Area Median Income) as defined by HUD. *See income guidelines listed below on page 2.*
- Those receiving Critical Home Repair services must be present during the duration of the repair work. Any able-bodied household members must help during the project (where applicable). Other friends and family (not in the household) are also encouraged to participate.
- Applicant must demonstrate willingness and ability to pay for project cost based on a sliding scale. *(These criteria are subject to change.)*

Important to understand:

- Homeowners will have to pay for Critical Home Repair services on a sliding scale based on household income
- We may only be able to commit to part of what a house needs
- Cost for the project will include materials and contracted labor and supervision.
- Upon acceptance into the program, participants must agree to a payment plan, which will begin immediately. Applicant must be current with plan to remain eligible. All pre-payments will be held in escrow until project is begun. If applicant withdraws from the program or is disqualified for any reason prior to beginning the project, 100% of escrowed funds will be returned to the applicant.
- No interest will be charged
- A Deed Restriction and/or lien will be required for projects over \$10,000. For projects under \$10,000, participants will be asked to sign a promissory note.
