**Building Homes.  
Building Hope.  
Building Community.**

HFHNCM has been building simple, decent, affordable homes in 25 north central Massachusetts towns and cities since 1988. The Habitat mission is made possible by the volunteers who build the homes and staff the ReStore, and the generosity of donors. You can help by sponsoring me, a volunteer, to help pay for the tools and materials I will be using.

***Thank you for your generosity. Together we can create a world in which everyone has a decent place to live!***
