

Volunteer Online Scheduling How It Works

Habitat for Humanity North Central Massachusetts uses online Volunteer registration and scheduling system.

When you're ready to start, just click the orange button above. You'll be directed to our schedule where you can click a shift for "More Info". To sign-up for that shift simply click "Register" and you'll be directed to sign-in.

If you have previously volunteered at Habitat NCM then you will already have an account. In this case, please click "I forgot my Password" then enter your e-mail address. You will be sent an e-mail to reset your password and log into the system.

If you are a first-time volunteer with us, then please create a new account using your e-mail address as your username and complete the account information.

In either case, you will be directed to input or confirm all your information, including emergency contact data. The skills and interests section allows to contact you if you have a particular skill that we need (plumbers, roofers, etc.)

Everyone over the age of 18 now has the ability to read and accept their liability waiver during registration. Volunteers ages 16-17 are welcome to build with us but must bring a [Minor Liability Waiver](#) signed by their parent or legal guardian.

You will only ever need to register once. If you forget your password, use the <I forgot> option or contact us at 978-348-2749 x205 or at volunteer@ncmhabitat.org

Registering a group. Select <Join a Private Group> from the main menu.

To see all available groups, click <reset> under the "Group Name" box. Select <Join> to the right of your requested group, then you will see all the future events set up for your group(s).

To create a new group, simply choose that option and give your group a new name! Then, as the group leader, you'll be able to send out an invite to all your friends/colleagues and have them select <Join A Private Group> in the same way, and select your new group.
