North Central Massachusetts

30 in 30

At Habitat for Humanity, we believe that everyone, everywhere should have a healthy, affordable place to call home. More than building homes, we build communities, we build hope and we build the opportunity for families to help themselves.

Your donation will help families break the cycle of poverty and build long-term financial security. With an affordable, stable home, families have more to spend on food, medicine, child care, education, and other essentials. Your support helps us to do more in all the many ways that Habitat builds.

Our 30 in 30 campaign seeks to urgently raise \$30,000 in 30 days from September 1st -September 30th so we can build a new home in Acton.

Can we count you in?
