

## **Guidelines for completing your community service requirement with Habitat for Humanity North Central Massachusetts**

Habitat for Humanity North Central Massachusetts (HFHNCM) welcomes members of the public who wish to perform community service on our construction sites, at the ReStore or in our affiliate office. Whether the requirement is for the courts or for school or college, you must adhere to the following procedure:

### **Please note: We cannot accept court-ordered community service requests from persons whose offense involved larceny and/or violence.**

- Contact the HFHNCM office **prior** to signing up for a workday.
- You must provide HFHNCM with your full contact information. If the community service is court-ordered, please also provide contact information for your attorney, a copy of your Community Alternative Sentencing Program paperwork (electronic or paper) and/or the name and location of the court that has mandated the service **prior** to signing up for a workday.
- If volunteering on a construction site, **you must arrive by 8:30am** and stay through the end of the workday (usually 4:00pm.).
- If volunteering at the ReStore, **you must arrive by 9:00am or 1:00 pm** (depending on whether it's a morning or afternoon shift) and stay for the complete shift.
- If volunteering at the HFHNCM office, **you must arrive by 9:00 am or 1:00 pm** (depending on whether it's a morning or afternoon shift) and stay for the complete shift.
- You will need to provide your own lunch and dress appropriately for the location and work you will be doing.
  - *This is a drug and alcohol-free workplace. Smoking is not allowed on the construction site, in the ReStore or in the office.*
  - *Loud, abusive, or foul language will not be tolerated. Racism, sexism, fighting, rudeness to staff, customers or volunteers will also not be tolerated.*
  - *Excessive use of mobile phones is not allowed.*
  - *Portable music players/Ipods/MP3 players are not allowed while working – you must be able to hear for your own safety.*
- When you arrive at the construction or ReStore site, report directly to the site manager. Sign in with the other volunteers and complete a liability waiver form.
- If volunteering in the affiliate office, report directly to the Volunteer Manager or Executive Director available on site. Sign in and complete a liability waiver form if this is your first-time volunteering with HFHNCM or your first time at this location. Someone on the Habitat staff will monitor your work and hours. (In the absence of the volunteer manager, or Executive Director another member of the staff will oversee your shift.)

When you have completed your total community service hours, please email or make an appointment with the Volunteer Manager at the HFHNCM office to receive paperwork showing confirmation of hours worked. **Please note: HFHNCM is not responsible for mailing or faxing paperwork to courts, attorney's offices, schools, or colleges.**
