

Habitat for Humanity North Central Massachusetts offers a hand up, not a hand out, to hard-working, low-income families seeking affordable homeownership.

Habitat NCM is building this energy efficient, 3 bedroom, 2 bathroom home on Roche Ave in Leominster.

In addition to meeting income guidelines, families must contribute hundreds of hours of “sweat equity” to the construction of their home in addition to supporting Habitat in other ways.

30 in 30

At Habitat for Humanity NCM, we believe that everyone should have a safe, accessible and affordable place to call home. We do more than build homes, we build communities, we build hope, and we build the opportunity for families to help themselves. With an affordable, stable home, families have more to spend on food, medicine, childcare, education, and other essentials. Your donation will help families break the cycle of poverty and build long-term financial security.

Our 30 in 30 campaign seeks to urgently raise \$30,000 in 30 days from April 1st to April 30th so we can finish a new home in Leominster.

Every donation will be matched dollar or dollar by an amazing donor.

About Habitat for Humanity North Central Massachusetts

Through volunteer labor and tax-deductible donations of money and materials, Habitat for Humanity North Central Massachusetts builds strength, stability and self-reliance through shelter right here in our community. Habitat homes are sold to families at no profit and financed with affordable 0% interest mortgages. Homeowners invest hundreds of hours of their own labor to build their home and the homes of others.
